The state of Colorado would have any information for NPDES permitting approvals. No records from Wastewater. The 404 program may have information on their 401 certs that would be responsive. Right now, pre realignment, maybe contact Tonya Code? Judy – please weigh in.

You have been assigned to the FOIA request - EPA-R8-2019-005145. Additional details for this item are as follows:

- Tracking Number: EPA-R8-2019-005145
- Requester: Mr. Dietrich C. Hoefner
- Request Track: Simple
- Submitted Date: 04/18/2019

- Due Date: 05/16/2019
- Short Description: Irrigation Projections Colorado
- Description: We request the following records that are in the possession of the Environmental Protection Agency (EPA). Each of the following requests is made in the context of any projects undertaken in Colorado (the "Projects") by Mile High Wetlands Group, LLC; Farmers Reservoir and Irrigation Company; Henrylyn Irrigation District; and/or Burlington Ditch Reservoir and Land Company (the "Developers"). Specifically, we request the following records:
 - (1) Any and all records of permits, permit modifications, and other approvals granted by the Agencies to either or both of the Developers with respect to the Mile High Wetland Bank project that was initiated on or about August 1999, including the applications therefor.
 - (2) Any and all records of permits, permit modifications, or other approvals, including the applications therefor, granted by the Agencies with respect to other Projects undertaken by either or both of the Developers between January 1, 1999 and the present.

Search EPA only records, Army Corps of Engineers will respond separately with their records. See attached request letter.
- Assigned Comments: Please contact requester regarding fees.
